Functions

Wireless Charging on Top + Power Socket & USB C

ELEVATOR has long been a best seller and it's easy to see why. It fits unobtrusively in most furniture pieces, whether it is at home, in the office or a hotel room.

With the new version – **ELEVATOR WIRELESS**, we upgraded functionality to include 3 powerful functions in 1 single unit: wireless charging on top plus integrated power socket & USB C charging on the side. Charging via the wireless charging top panel is available when the Elevator is down. To use the other features, simply press down with your finger to raise the **ELEVATOR WIRELESS**.

Benefits:

- ✓ **3 functions in 1**
- ✓ **Hidden away socket**
(press down to raise and use sockets)
- ✓ **Stylish design**
- ✓ **German quality**
- ✓ **Easy installation**

ELEVATOR WIRELESS – offers 3 finish options

1. trendy black

2. stylish matt chrome

3. classic stainless

Installation is incredibly simple. ELEVATOR WIRELESS is placed in a cut-out 80 mm in diameter and secured to the furniture using a lock ring.
