

Connection panels | Integrated units | **SEAMLESS**

BENEFITS

- **Highly flexible with virtually unlimited configuration options**
- **Functional and cost effective**
- **Easy installation**

SUPPORT TODAY'S WORKPLACE **SEAMLESS**

So Discreet and Yet Super Powerful!

With the shift towards hybrid work, employees spend more time out of their work stations and interact with team members on their days in office. Impromptu chats in lounge areas or huddle rooms, short meetings in pods are a regular practice.

SEAMLESS from Bachmann is perfectly immersed into different types of furniture, actively supporting the modern workplace.

43 %

of employees report a lack of connectivity at work.
